Discover an invigorating, groundbreaking massage technique that combines efficient body mechanics with the use of only the Forearm and Olecranon as tools. Forearm Dance™ focuses on giving a full body circulatory massage combined with the depth and muscular separation found in deep tissue work.

This in-depth, almost four hour instructional program offers a variety of instructional techniques in easy-to-access DVD chapters, presented in a captivating coastal setting, accompanied by an inspiring musical score.

During my massage career of over two decades, I had to develop an effective way to sustain my clientele, teaching schedule, and my own health.

Practice Forearm Dance and you will learn more efficient work habits, while having fun and feeling good. Enjoy the dance.

ABOUT: Val Guin

Val Guin is an internationally known certified massage therapist who has been doing bodywork for over 23 years. She is a founding member of the Santa Monica Center of Healing Arts where she maintains a private practice. She is also a Director of Education for the Institute of Psycho-Structural Balancing (IPSB) and she has been a presenter for the AMTA. After suffering severe injuries in her back and arm after being hit by a drunk driver, Val created Forearm Dance as a self-healing and practitioner-friendly form of massage.
