

Introducing the Elite from BodyWorks Therapy Equipment.

You simply will not find more table...for less.

Committed to offering superior quality and value, BodyWorks is proud to offer the Elite Massage Table. With its exceptional quality and a host of standard features, this quality table package redefines value. Skillfully crafted from quality materials the Elite compares favorably with similar equipment easily costing twice as much. And with features like a finger-jointed hardwood frame, 4.5mm plywood deck, and double locking knobs, it's built to withstand the rigors and demands of professional use. The North American Hard Maple under-structure, and superior quality polyurethane vinyl, further exemplify our commitment to quality. While the included deluxe adjustable headrest, platform armrest, under-table shelf, and color matched carry case, further exemplify our commitment to value. Confident in our quality the Elite is backed by an industry leading Lifetime Warranty, a 30-Day Money Back Guaranty, and a 90-Day Best Value Guaranty. This beautifully crafted, quality table is available in four unique, richly elegant colors.

...and at only \$279.00 we've just made choosing your next table a lot easier.
